"Even if kids **never code, they
will **train an Ai** every time
they use the Internet"**

Dr. Ed

Just a Geek Kid

- Creative resilience

Ph.D. in AI and User Experience

- Viral in 2005, when YouTube first started.

>15 Years in Educational Technology

- Social Studies of Artificial Intelligence

FUTURE PROOF SKILLS

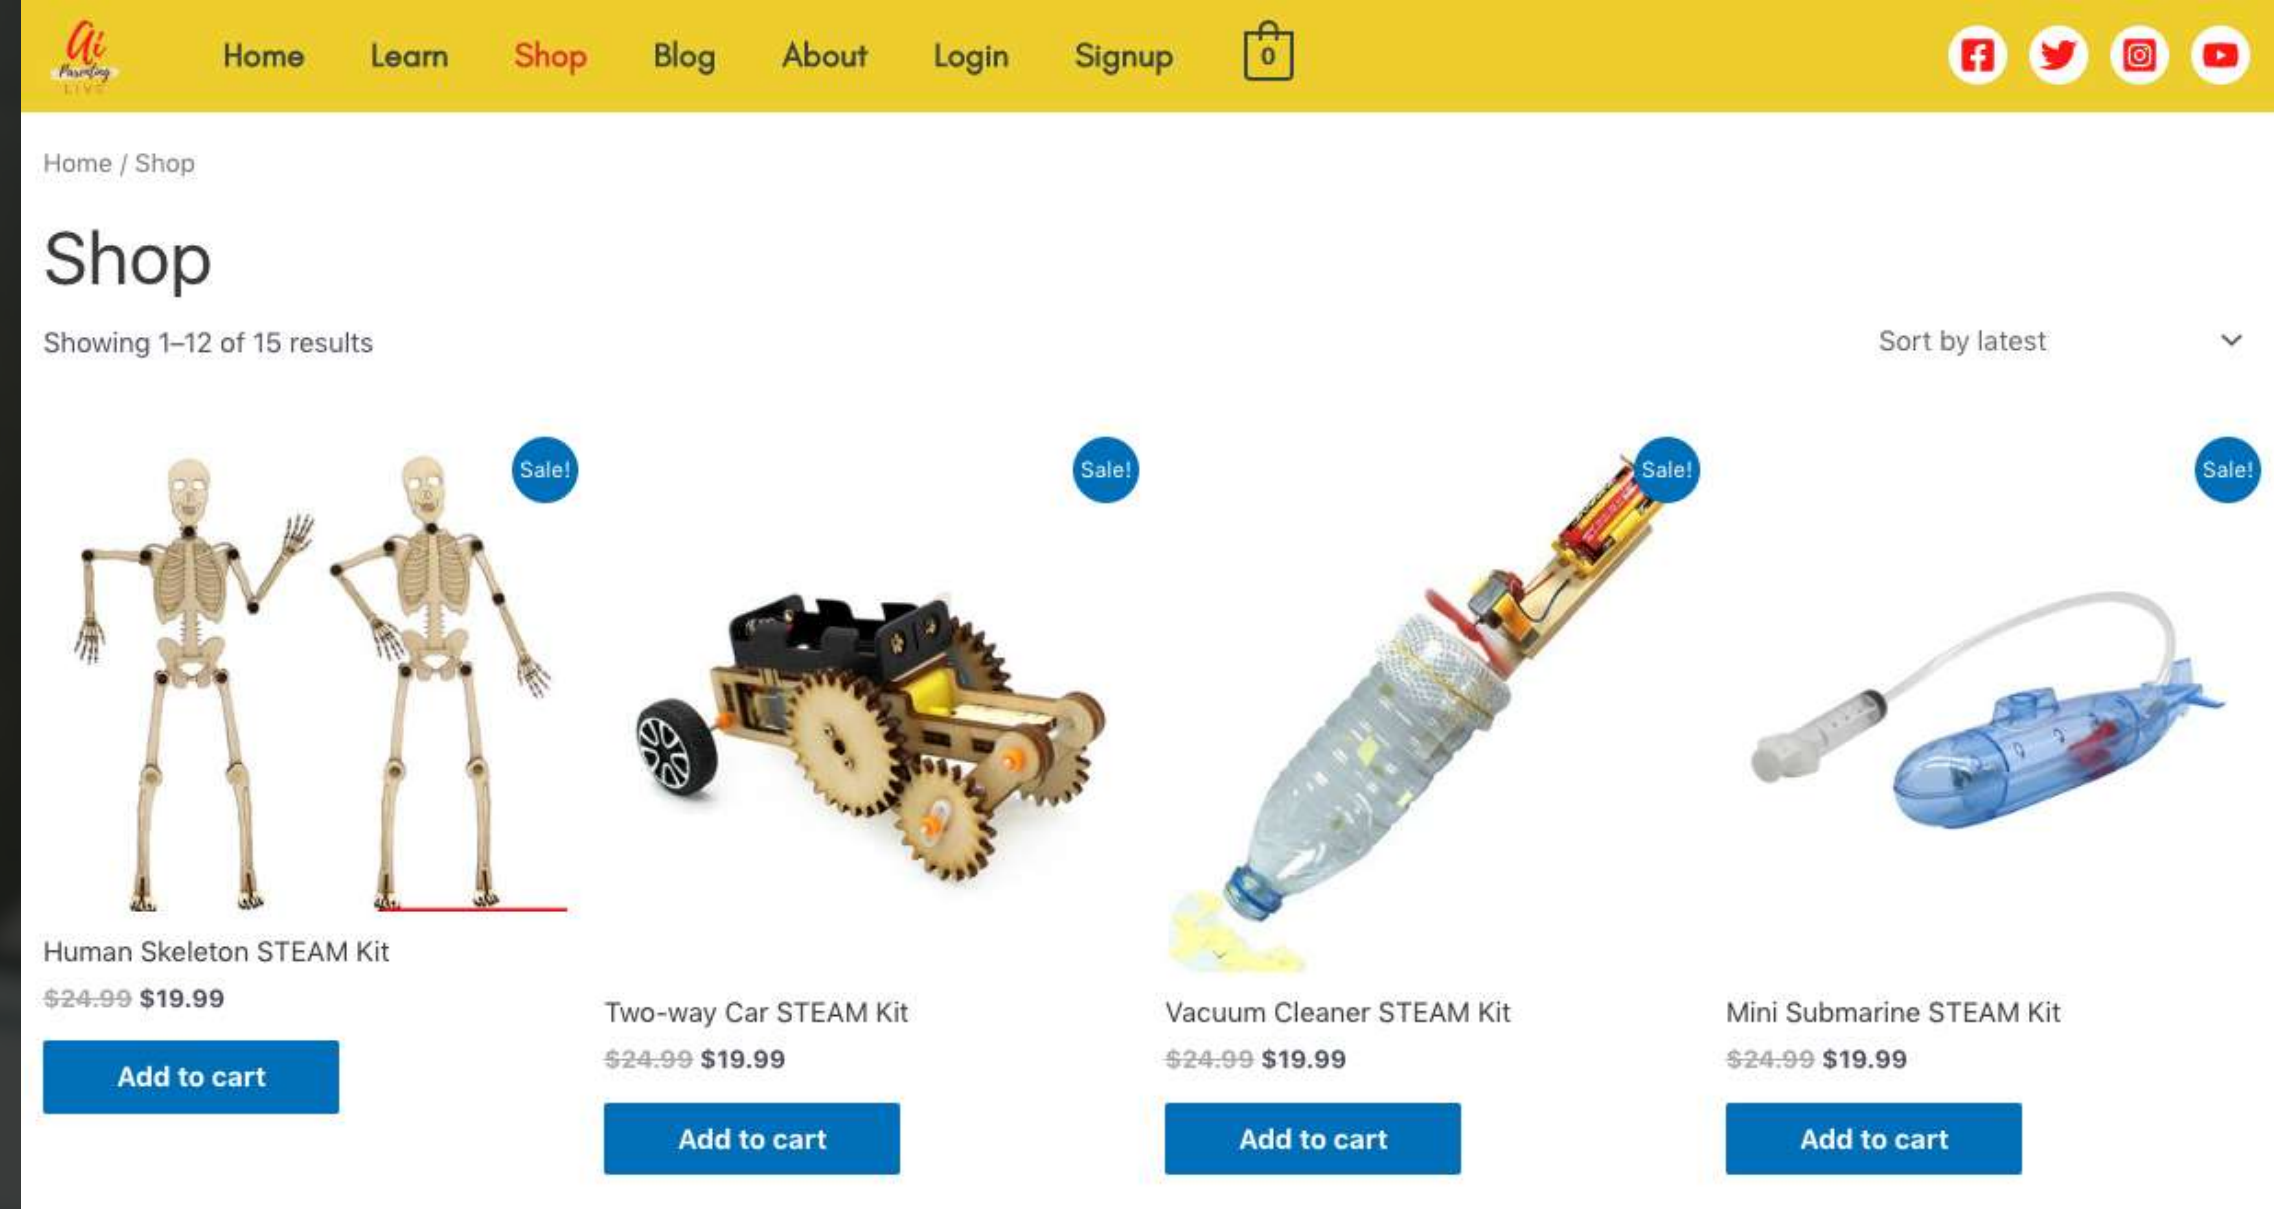

Ai and Robotics

10x Lower Cost

Curriculum

Active Learning

Badges and Certificates

HELPING THOSE MOST HARMED BY AI

Low Income

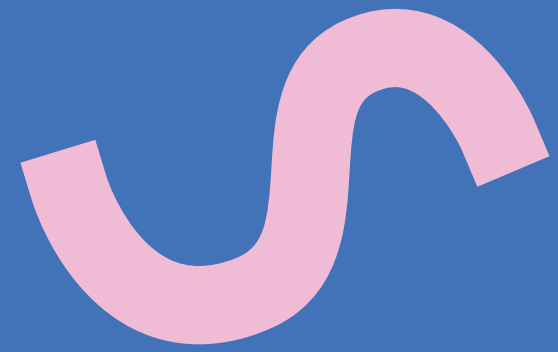

Buy one, give one

Robots go home

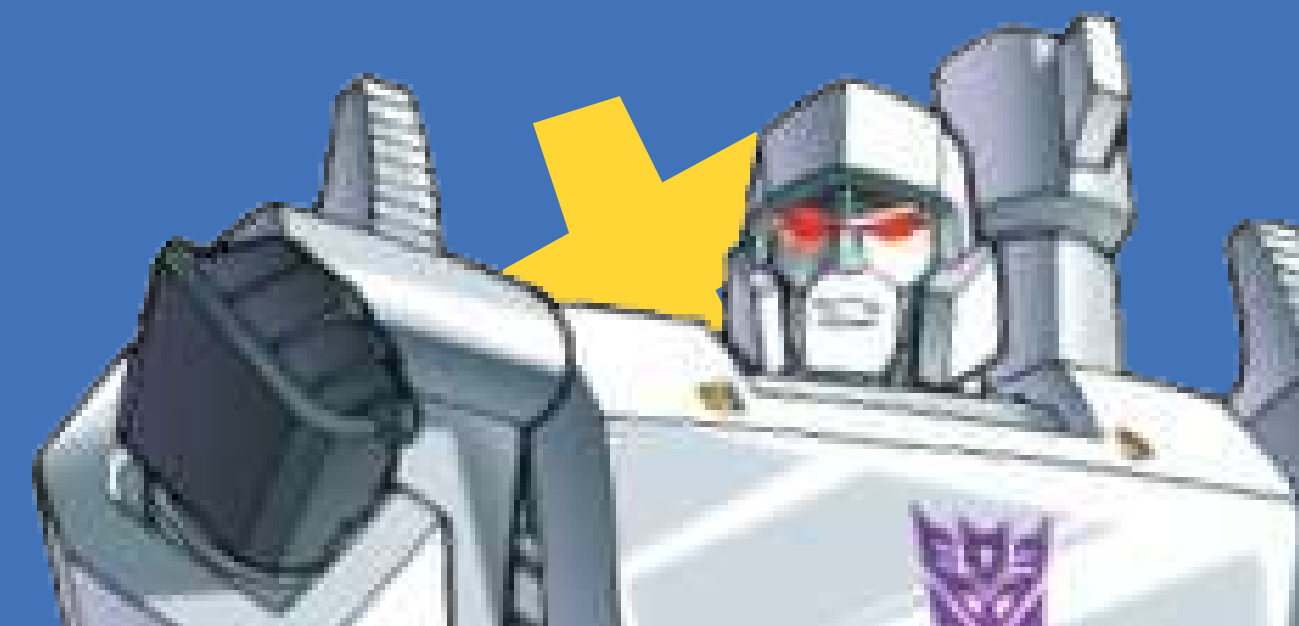

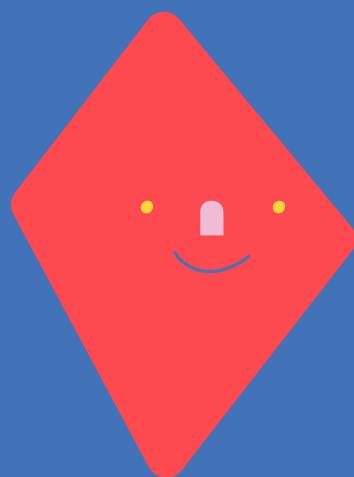

Inspire families

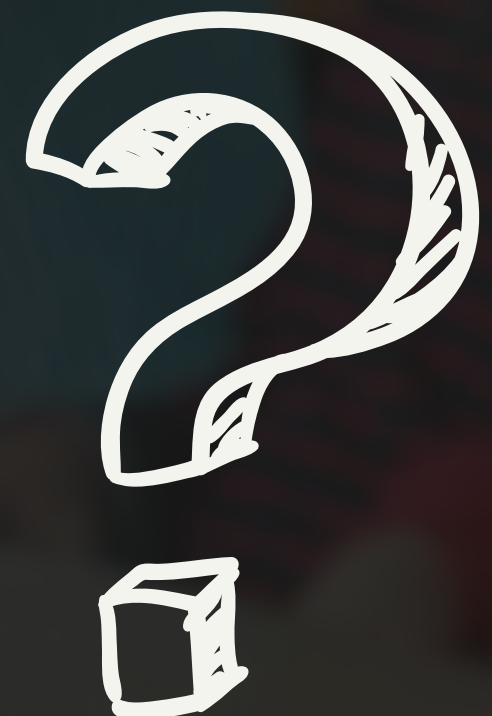

Sedation to Creation

Why do robots become evil?

Technology Automation

What happens when **jobs**
get **automated**?

Elevator Operators Today
